

You're Beautiful

There is one thing I've wanted to tell you
Something you ought to know for sure
I've been praying each day
That you'll believe me when I say to you

You're beautiful
To me, you're beautiful
You're beautiful
To me, you're beautiful

It's not the clothing that you wear
Or the color of your hair
It's the woman that you've dared to be

There is one thing I've wanted to tell you
Something you ought to know for sure
I've been praying each day
That you'll believe me when I say to you

I love you
I la-la love you
I love you
I la-la love you

If you need a shoulder or an ear
Someone to wipe away the tears
You know I'll always be right here for you

I'm so happy on this day
To give my little girl away
And in my heart you'll always stay with me

You're beautiful
To me, you're beautiful
You're beautiful
To me, you're beautiful

I love you
I la-la love you
I love you
I la-la love you
