

No Surprise - Carson 2004

I'd rather be alone, all by myself than be lonely with someone else
Sure I've got friends who call on the phone
But when I need someone, I'm on my own

This is no way to live, I've got no more to give
But somehow I've found a little more
But it should be no surprise, it's all my heart cries
It's everything that I've been praying for
Just to love you more - Just to love you more

If you ask for a fish, would He give you a stone?
Then how can you think He'd leave you all alone?
Ask and you will receive, seek and you will find
Knock and He'll open up your mind

It's the only way to live when you have no more to give
Then somehow you'll find just a little more
And it should be no surprise, it's all my heart cries
It's everything that I've been praying for
Just to love you more - Just to love you more
[Instrumental verse] [Chorus]

I've got a friend, more than a brother, He calls us to love, love one another
I've got a friend, I've got a friend
